The screenshot displays the VIP Task Manager Professional interface. The main window shows a project titled "Media Organization Solution" with a task tree on the left and a detailed task list on the right. The task list includes columns for Name, ID, Status, Complete, Assigned, Priority, Due Date, Start Date, and Finish Date. A "Customization" dialog box is open in the foreground, showing options for Legend, Alignment, and Orientation. Below the main window, there are panels for Notifications, Chats, and a task list for the "Production Workflow" project. A pie chart is also visible, showing progress for three categories: 36%, 59%, and 8%.
